

The goal of the Little Free Library is to promote literacy and the love of reading by building free book exchanges worldwide and to build a sense of community as we share skills, creativity and wisdom across generations. There are nearly 40,000 Little Free Library book exchanges around the world, bringing curbside literacy home and sharing millions of books annually.

Did you know Griffith has seven locations around town that have a Little Free Library? Borrow a book or share a book at any of the libraries listed below. Interested in starting your own? Contact Deb Fizer at deborahfizer@yahoo.com and she will set you up with a kit!
